March 19, 2019

## THOUGHTS FROM DR. BALL

Dear Judson ISD Team:

I truly hope that everyone had a wonderful spring break. I hope that many of you were able to relax and enjoy time with family and friends. It does wonders to rest and re-energize yourself and get ready for the remainder of this semester. As each of you know, the spring is always a very busy time. There are a number of reasons for that, but I think it has a lot to do with working in the present and in the future at the same time. Not only do we have so much to do this time of year, but we also spend a lot of time planning for the following year.

In my short time here I have enjoyed meeting with many individuals and many groups of people. I have tried to meet with as many of you as possible to hear the different ideas and suggestions. I appreciate the many real stories and great suggestions you've shared with me on ways to improve. As we plan and prepare for the 2019-2020 school year I need to hear from you. Your feedback and voice means a lot to me. On March 8, 2019 you should have received an email from TASB regarding a survey that I would like you to fill out. The survey instructions came in an e-mail directly from TASB HR Services ([Employee.Survey@tasb.org](mailto:Employee.Survey@tasb.org) or [Janelle.Guillory@tasb.org](mailto:Janelle.Guillory@tasb.org)). Your survey responses will be entered online and returned directly to and compiled by TASB, to help protect employee confidentiality. I want to help make changes if necessary but I need your input on what is working and what might need fine tuning. I urge to please take the survey and give me your input.

Thank you for all you do. I wish you the very best week. ▲

**It's nearing Fiesta! Dr. Ball with Rey Feo Dr. Salvatore Barbaro, III, and his Royal Court at Spring Meadows ES**

# T-Bird Boys Basketball Made Us PROUD!

## Taking it to the Hoop, The State Final Game

It was quite a run. The Wagner Boys Basketball team displayed excellence that's hard to beat. With a 34-6 record they were rockin' the court on a regular basis. During that time their dedication and hard work brought them all the way to the State Final Championship game. While they came up short at the end of the game, they made JISD proud. A big congratulations goes out to them and Coach Rodney Clark and his staff for working with these young men. They played hard...the T-Bird Way!

# A Parade For The Champs!

## JISD and Converse Celebrate

It was a parade that was bursting with Rocket Pride. The Lady Rockets Basketball team was honored with a Championship Parade recognizing their goal of a state championship at the highest level of high school competition. The event was a coordinated effort of Judson ISD and the City of Converse. It included so many school organizations and business partners that it was truly a community event. It also included a pep rally at Rutledge Stadium to cap the celebration. And in the end, the City of Converse has moved to change Lower Seguin Road, to Lady Rocket Way. What an honor. Here are some pictures to go with it all. Congratulations.
