

Superintendent Message

May 28, 2019

THOUGHTS FROM DR. BALL

Dear Judson ISD Team:

I hope that everyone had a great weekend. It is so hard to believe that this is the last week of school and my last message for the 2018-2019 school year. This year went by so fast. I thank you for an amazing first year as your superintendent. This past week and weekend was full of happy memories, as I was able to attend many graduations. In addition, Judson ISD started a new tradition. On Wednesday, May 22, 2019 we held our inaugural Circle of Excellence Banquet. At this event we honored the Top Ten Graduates from each high school and also the teacher that impacted the student the most throughout their education experience. Being part of the Top Ten Group is a prestigious honor, but so is being the most influential teacher that assisted the student in receiving this academic achievement. It was truly an honor to recognize the students along with their influential teacher. This entire event was sponsored by the Judson Education Foundation (JEF). We are so appreciative to have such an amazing group to support our students and staff.

In closing, I want to wish you a great week and let you know that it has been a pleasure to work with you this year. I look forward to seeing you next year. Stay safe during the summer and enjoy life. ▲

MORE JUDSON PHOTOS

Another great milestone was reached in the history of Judson ISD. Our third comprehensive high school Veterans Memorial celebrated its first ever graduation and it was very memorable. Wagner and Judson High Schools' ceremonies were such wonderful events as well.

Dignified but yet celebratory. All three ceremonies were at the Freeman Coliseum and all three were streamed live for those unable to attend. Please enjoy the photos from each one...some behind the scenes photos as well as graduates prepared to walk.
