OFFICE OF THE SUPERINTENDENT

Jeanette Ball, Ph.D.

August 2, 2018

Dear Judson I.S.D. Team:

I am thrilled to welcome you back to this new school year. It is hard to believe how fast this summer has gone. I hope it was filled with family, friends, and joyfulness as mine has been. While I've been busy making the transition to Judson I.S.D., I can clearly see that I have joined an excellent team with some of the most amazing individuals. To me, there are some great reasons to start this year with enthusiasm. As we embark on a new journey to continue to move Judson I.S.D. forward I want you to know that I feel privileged to serve as your superintendent.

I enjoy getting to know new people and I'm eager to meet as many of you as I can at various events during the year. One of the main opportunities is our convocation...it's the grand kick-off to the school year. This year our theme is, "#ChooseJudsonISD" On August 13, 2018 we will come together at the Freeman Coliseum, for our Judson I.S.D. Convocation at 10 a.m. We are so excited to have a wonderful event planned for you this year. And what makes it even more encouraging is the many sponsors that afforded us the financial support to bring our special guest speaker. Drum Café is an interactive, high energy, team building program that is not to be missed.

As you start to prepare and welcome our students I ask that you remember that our students need you more than you know. They will come wrapped in many different ways. Some will come to you in the same clothes as last year, others will be coming in with brand new clothes. Regardless of how our students arrive, remember that what they need most of all from you is to be valued, cared for and taught. Let's welcome our students and parents to one of the best years ever.

As your superintendent, I am your biggest supporter and cheerleader. I want you to be successful and want you to know that I am here to support you. Never hesitate to contact me if you need anything at all.

Once again I thank you for being part of the Judson I.S.D. team!!! You are part of our family and your commitment and willingness to work with our students and their parents is vital to helping each child reach their potential.

Sincerely,

Jeanette Ball, Ph.D.  
Superintendent of Schools
